

fchp direct care

benefit summary for MNHG “rate saver”

fchp direct care network

Fallon Community Health Plan Direct Care is a high-performing network of providers at medical centers you know and trust. Our network providers are carefully chosen for their medical excellence, patient access and innovation. You can be seen at physician practices, community hospitals and medical facilities across our Direct Care service area.

the fchp difference

With FCHP Direct Care, Fallon Community Health Plan offers you a unique option built around several high-quality provider groups. You have the convenience of receiving your care close to where you live or work, from a group of primary care physicians (PCPs) and specialists who work together to efficiently coordinate your care. You also receive comprehensive benefits and features, including:

- **Preventive dental services** for the whole family with participating dentists.
- **A fitness reimbursement of up to \$400** for families (\$200 for individual contracts) for healthy activities including town and school sports, Weight Watchers®, gym memberships, yoga and Pilates.
- **Member discounts** on products and services to keep you healthy and features you won't find anywhere else.

how to receive care

choosing a primary care provider (pcp)

Your relationship with your PCP is very important because he or she will work with FCHP to provide or arrange most of your care. To pick a PCP, just complete the section on your FCHP membership enrollment form.

obtaining specialty care

When you want to visit a specialist, talk with your PCP first. He or she will help arrange specialty care for you. The following services do not require a referral when you see a provider in your plan's network: routine obstetrics/gynecology care, screening eye exams, behavioral health services and some dental services. For more information on referral procedures for specialty services, consult your *FCHP Direct Care Member Handbook/Evidence of Coverage*.

emergency medical care

Emergency services do not require referral or authorization. When you have an emergency medical condition, you should go to the nearest emergency department or call your local emergency communications system (police, fire department or 911). For more information on emergency benefits and plan procedures for emergency services, consult your *FCHP Direct Care Member Handbook/Evidence of Coverage*.

Benefit may vary by employer group.
Weight Watchers® is a registered trademark of Weight Watchers International, Inc.
