

With FCHP, you don't just get more, you get EXTRA!

There's no denying it: saving money is a good thing. That's why Fallon Community Health Plan provides its members with a way to save money every time they shop at CVS/pharmacy.

Save 20%!

With a CVS Caremark ExtraCare® Health Card, FCHP members get a 20% discount on more than 1,500 CVS/pharmacy-brand health-related products—good at any CVS/pharmacy store or online at cvs.com.

You only need one card!

If you already have a CVS ExtraCare Card, you do not need both cards. Your ExtraCare Health Card can replace the old one. You can move your Extra Bucks to the new card by calling the toll-free number on the back of your ExtraCare card. Then, each time you use your new ExtraCare Health Card, you will earn Extra Bucks rewards (*the rewards cannot be used for prescriptions*).
