This quick reference benefits is an outline of benefits and services available with this HMO plan from Fallon Health. Details about specific benefits and coverage limitations can be found in the plan Summary of Benefits or the Evidence of Coverage. Plan benefits are subject to change each January 1<sup>st</sup>. Enrollees must have Medicare Parts A & B at the time of enrollment, continue to pay their Medicare Part B premium or arrange to have Part B premiums paid, have permanent residence within Fallon’s Medicare Advantage service area, and meet enrollment guidelines for new enrollees with End Stage Renal Disease (ESRD). Members may enroll or disenroll only for the first day of the month following receipt of written documentation. Services must be provided by contracted providers to receive listed benefits except as noted for specific services in or out of the network. Fallon Health is a health care services company with a Medicare Advantage contract.
