

For employees insured through Fallon Select Care and Fallon Direct Care

This Medication List is effective for the two-month period starting August 1, 2017 through September 30, 2017. Orders for medications on this list must be faxed or postmarked by October 7, 2017. Orders for new prescriptions faxed or postmarked after October 7, 2017 will only be honored if the medications being ordered are also on the Medication List for the next quarter starting November 2017.

*In rare circumstances, a medication on this list may become unavailable through the **myMedicationAdvisor**® Program due to a supply issue. In this case, the current pharmacy benefit must be used to obtain the medication where standard co-pays will apply.*

Medications in bold and followed by a circle (●) are specialty medications.
