

TESTING YOUR BLOOD GLUCOSE IS IMPORTANT

That's why the *Good Health Gateway*[®] Diabetes Care Rewards Program is offering all registered members the following blood glucose testing supplies for FREE:

- Accu-Chek[®] Guide meter
- Accu-Chek Guide test strips

Accu-Chek Guide BENEFITS AND FEATURES

- ✓ Simple to use and virtually pain free Accu-Chek FastClix lancets
- ✓ Wirelessly transmits results to your smartphone - no more paper logs
- ✓ View your trends in easy to understand graphs and tables
- ✓ Helps identify problem meals/activities that cause fluctuation in readings
- ✓ Connects with the *Good Health Gateway* Diabetes Care Rewards Program so our diabetes educators can provide you with expert support based on your readings.

HOW TO GET YOUR FREE METER AND TEST STRIPS

Be registered for the Diabetes Care Rewards Program at **GOODHEALTHGATEWAY.COM**

Call our HelpLine Advocates to get your meter and first 3-month supply of test strips at **800.643.8028**

Continue to be an active member of the program, and get your free test strips every 90 days.

Registered members who do not want the Accu-Chek Guide meter and test strips can ask to get UniStrip1 OneTouch compatible test strips for \$0 copays.
