| Important Questions | Answers | Why this matters |
|---|--|---|
| What is the overall deductible? | Medical & Prescription Drug Deductible: \$2,000 member/\$4,000 family Benefits are administered on a Plan Year basis. | Generally you must pay all the costs up to the <u>deductible</u> amount before this <u>plan</u> begins to pay. If you have other family members on the policy, the overall family <u>deductible</u> must be met before the plan begins to pay. |
| Are there services covered before you meet your deductible? | Yes: preventive care, are covered before you meet your deductibles. Certain preventive drugs will not apply to the prescription drug deductible. For a list of those drugs please visit www.harvardpilgrim.org/rx. | This <u>plan</u> covers some items and services even if you haven't yet met the <u>deductible</u> amount. But, a <u>copayment</u> or <u>coinsurance</u> may apply. For example, this <u>plan</u> covers certain <u>preventive services</u> without <u>cost-sharing</u> and before you meet your <u>deductible</u> . See a list of covered <u>preventive services</u> at https://www.healthcare.gov/coverage/preventive-care-benefits/ |
| Are there other deductibles for specific services? | No. | You don't have to meet <u>deductibles</u> for specific services |
| What is the out-of-pocket limit for this plan? | \$6,550 member/ \$13,100 family | The <u>out-of-pocket limit</u> is the most you could pay in a year of covered services. If you have other family members in this plan, they have to meet their own <u>out-of-pocket limit</u> until the overall family <u>out-of-pocket limit</u> has been met. |

| Important Questions | Answers | Why this matters |
|--|--|--|
| What is not included in the out-of-pocket limit? | Premiums, balance-billing charges, and health care this plan doesn't cover. | Even though you pay these expenses, they don't count toward the out-of-pocket limit . |
| Will you pay less if you use a network provider? | Yes. See https://www.harvardpilgrim.org/public/find-a-provider or call 1-888-333-4742 for a list of preferred providers. | This plan uses a provider network. You will pay less if you use a provider in the plan's network. You will pay the most if you use an out-of-network provider, and you might receive a bill from a provider for the difference between the provider's charge and what your plan pays (balance-billing). Be aware, your network provider might use an out-of-network provider for some services (such as lab work). Check with your provider before you get services. |
| Do you need a referral to see a specialist? | Yes, some exceptions apply. | This <u>plan</u> will pay some or all of the costs to see a <u>specialist</u> for covered services but only if you have a <u>referral</u> before you see the <u>specialist</u> . |

All <u>copayment</u> and <u>coinsurance</u> costs shown in this chart are after your <u>deductible</u> has been met, if a <u>deductible</u> applies.
