Minuteman Nashoba Health Group is partnering with Weight Watchers to offer employees sets of prepaid, discounted Local Meeting Vouchers (LMVs) that can be used at local meetings in the community.

Here is a bit more information about the program and how it works:

- Each 13-week prepayment coupon set costs \$156.00, or \$78.00 to MNHG members (that is all employees who are on this email)
 - Vouchers are only sold in sets of 13
 - One 14-week eTools voucher is included with each set of LMVs
 - The Local Meeting Registration fee is waived with these vouchers
 - You may re-order another set of LMV after your 13 weeks if you choose
 - Weight Watchers will invoice your the Minuteman Nashoba Health Group for 50% of the cost for all vouchers
- Vouchers are for 13 meetings at local WW community meetings only

To view a listing of our local meetings in your community, please visit www.weightwatchers.com/meetingfinder. Enter a zip code into the Meeting Finder to find meetings in your area.

After you have decided that you want to sign up, you will contact Randi Bershak and give her your credit card number to start the program. The 14 weeks (13 meetings, and 14 weeks of on-line eTools) starts after you attend your first meeting. If you are already a member of Weight Watchers, please contact Randi and she will tell you how to proceed.
