

Fallon Medicare Plus™ Premier HMO

Worcester County

You've worked hard. Now, let us work for you!

Fallon Medicare Plus Premier HMO is Fallon Health's Medicare Advantage plan for retirees here in Worcester County. Our plan offers comprehensive coverage, and more benefits than members would get with Original Medicare alone.

As a resident of Worcester County, you have access to two network options. Your copayments will be the same no matter which plan you choose. Your monthly premium, Benefit Bank amount and providers you see will be determined by the plan you choose.

1. With **Fallon Medicare Plus Premier Central HMO**, you must receive care and services from a tailored group of local providers that includes:

- All Reliant Medical Group providers
- St. Vincent Hospital
- Heywood Hospital and providers
- Select Steward Health Care providers

To join this plan, you must be a resident of Worcester County. You'll get a larger Benefit Bank amount and you will pay a lower monthly premium when you choose this plan.

2. **Fallon Medicare Plus Premier HMO** includes all of the providers listed in our "Central" network, plus all of our contracted physicians, hospitals and medical centers throughout the state—from Boston to the Berkshires.

With this plan, you'll have more choice with which providers you want to see.

(Turn over to learn about benefits)

Both plans include rich benefits like:

- Benefit Bank—a card that can be used to pay for fitness memberships, dental care and/or eyewear. Use the card for one item or service, or a combination—it's your choice.
- Free SilverSneakers® gym membership
- Free 13-consecutive-week Weight Watchers® membership
- Prescription drug coverage, with no coverage gap
- Hearing aid coverage with copayments ranging from \$695–\$995
- Coverage for dental care services like fillings, root canals and dentures—in addition to your Benefit Bank
- \$150 toward eyewear, every year—in addition to your Benefit Bank amount

When you choose Fallon Medicare Plus Central Premier HMO, you get a larger amount in your Benefit Bank—\$500 compared to \$250 with our other plan option.
